Accounts for sciprog:
Version: Monday, 23 January 2023 - v2

Please find your username from logging into sciprog.ichec.ie. To log into the machine for Mac/Linux users, open a terminal and for Windows users, ensure that MobaXterm (https://mobaxterm.mobatek.net/) is installed or some other terminal emulator.

Use the initial password as instructed in the video tutorial "How to SSH", and use the command;

ssh sp##@sciprog.ichec.ie

replacing ## with the number specified below next to your name. Upon doing so, choose new password which you will use for the duration of this module, keeping it safe.
